

DOGS MUST BE LEASHED

You can help control off leash dogs in the Preserve by reporting visitors who choose not to abide by Township laws and OLC policy. Please text 484-320-7918 or email report@openlandconservancy.org with license and vehicle info if you observe dogs off leash.

**Violators are subject to a \$1,000 fine, per
Tredyffrin Township ordinance**

- *Loose dogs degrade vegetation and stream banks.*
- *Loose dogs threaten both wildlife and visitors – especially children and other dogs.*
- *For the safety and comfort of visitors please cooperate, or OLC may have to ban dogs from the Preserves.*
